IBM Campus Recruitment Drive @ PVGCOEN for Internship

Date: 10/09/2015

To,  
The Principal,  
PVGCOE  
Nashik-422004.

Subject: IBM Campus Recruitment Drive @ PVGCOE Nashik

Respected sir,

It is my pleasure to give you report about IBM Campus Recruitment Drive at our PVGCOE Nashik Campus. Sir, we came to know about IBM Bluemix workshop in one of the friend's college. So, we thought to put the same one day workshop in our college as well. With your prior permission, we have arranged it on 1<sup>st</sup> September, 2015 (10:00 am to 5:00 pm). The workshop was very much successful and student has showed the good response towards it.

Workshop Details:

**Date:** 01<sup>st</sup> September, 2015 (10:00 am to 5:00 pm)

**Venue:** Seminar hall

Workshop was conducted for around 150 students, from COMP/IT. The workshop started with presentation and demo of cloud. Students asked the many questions and get it solved by Mr. Yuktesh sir. Post lunch, there was practical sessions and it was conducted in Computer Centre between 2:00pm to 6:00 pm. I am attaching the snapshots of workshop for your reference.

Meanwhile, in our meeting, we got a chance to ask about jobs and some vacancies in IBM for our students. With permission from IBM Authorities, Mr. Yuktesh agreed to recruit few students as Interns. This was the good opportunity for us to get entry into the IBM and start the placement drive for academic year 2015-16.

Campus Drive Details:

**Post:** IBM BlueMix Interns

**Position:** 05

**Eligibility:** Registered students under IBM Bluemix Workshop.

**Selection Procedure:** Personal Interview (Technical + HR)

**Date:** Wednesday 2nd Sept, 2015

**Time:** 11:00 am Onwards,

**Desirable Profile:**

- Good Knowledge of Java, DBMS & Web Technologies
- Good Communication Skill
- No Stage Fear

*Good*  
*18/9/15*

#### Responsibilities:

- As intern, Candidate will be working on IBM BlueMix Cloud.
- Candidate will be trained to work on IBM Bluemix Cloud by IBM.
- Should be able to deliver the IBM Bluemix Cloud Workshop in Nashik region.

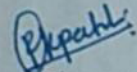

On 2<sup>nd</sup> September, 2015, we have taken campus drive. Mr. Yuktesh interviewed 10 selective students. Out of which, he selected 6 students as interns. The interview questions were based on Java, Database, Web technologies and few on English communications.

As a result, following 6 students from our college got selected as Interns in IBM:

- |                      |             |
|----------------------|-------------|
| 1. Parth Waidya      | BE COMPUTER |
| 2. Anshul Mhaskar    | BE COMPUTER |
| 3. Tushar Gore       | BE COMPUTER |
| 4. Parmeshwari Warpe | BE COMPUTER |
| 5. Sejal Pande       | BE COMPUTER |
| 6. Kinjal Bhandarkar | BE IT       |

For the same, I am attaching the email communication for the confirmation of internship.  
Thank you.

Yours sincerely,

Training and Placement Officer  
PVGCOE Nashik-4.

## IBM Interviews

### Observations

1. TE students should not be interviewed by external recruiters.  
Lack knowledge / waste of time for recruiter.
2. Technical knowledge was not upto the mark.
3. Need to improve Communication & Presentation Skills.
4. Inputs on Problem Solving Techniques.
5. Need to improve use of English language.
6. Majority of students do not have CV/Resume.
7. Basic information of visiting company/recruiter to be prepared in advance by students.
8. Inputs on body Language required.
- \* 9. Observation of IBM Expert on Syllabus not having Java.

→ very imp feedback & recommendations  
Comp/IT should do more on JAVA &  
other thing

→ Mr. Ravindra Patil - imp paper for further plan-action

25/9-13

### Recommendations

1. Mock interviews for TE with individual feedbacks for improvement.
2. Encourage presentations in English.
3. CV/Resume writing
4. Inputs on Communication, Motivation, Teamwork and Problem solving.
5. One resource person from every department.
6. Grooming to start from SE Level.

Ple I think, for our branch i.e. Comp.Egg. you provide/give some internship prog. or some training session in which we can actually work like we are doing something. (like we are creating & working)

By using a website, I tried to apply a internship of IIT Bombay for 'Machine Learning' but it's not useful.
