Details of Webinar:

The webinar on **Implementation of National Education Policy (NEP)- 2020** was conducted on 7th April 2021 for the purpose of designing and implementation of NEP. The webinar aims at understanding the vision and aims for India's higher education system with economic development of nation, knowledge economy and developing of thoughtful, well-rounded and creative individuals. This webinar emphasis on the education commissions, policies and reforms in India, institutional reconstruction and consolidation that transforms the higher education institutions into large multidisciplinary universities, colleges and HEI cluster/ Knowledge hub. Development of active research communities across disciplines including cross-disciplinary research, increase the resource efficiency, both material and human across higher education. This webinar also covers the holistic and multidisciplinary education where the knowledge of many arts will be required for the 21st century. The integration of Science, Technology, Engineering and Mathematics (STEM) with the humanities and arts that will enhance the creativity and innovation, critical thinking, problem-solving abilities, teamwork and communication skills. Development of value- based education, intellectual, aesthetic, social, physical, emotional and moral capacities, of human beings in an integrated manner. This webinar focuses on optimal learning environments and support for students for developing institutional plan, integration of academic plans ranging from curricular improvement to quality of classroom transaction, holistic development of students, topic-centered clubs and activities, role of teachers as mentors and guides etc. The webinar covers internationalization where there should be easy access of international study, international student's office at each HEI, MoU's with foreign universities, encouragement to Indian universities to set up campuses in other countries, greater mobility to students of India at institutions abroad. It focuses on motivated, energized and capable faculty, teacher education programs, quality academic research. The role of HECI (Higher Education Commission of India) for NHERC, NAAC, HEGC and GEC was also explained. Finally, the webinar covers the effective governance and leadership and strategic planning for higher education institutes.
