To,

Hon. Chairman,

Governing Body,

PVG's College of Engg. & S.S.

Dhamankar Institute of Management, Nashik

Submitted through: Hon. Shri. S.N. Gunjal, Secretary - Pune Vidyarthi Griha

Subject: Regarding approval of Perspective plan for 2024-25 to 2028-29

Respected Sir,

The Internal Quality Assurance Cell of the institute has prepared a perspective plan for the next five years (2024-25 to 2028-29) as per the guidelines of NAAC. The perspective plan has been prepared by discussion & deliberation with different stakeholders in the HoD meeting as well as in the meeting of IQAC.

We are hereby submitting the plan for your kind consideration, suggestion & subsequent approval.

Thank you.

Dr. A R Rasane
IQAC Coordinator

Dr. M.V. Bhalerao
Principal

Perspective Plan : 2024-25 to 28-29

1. Enhancing Quality of Education:

For enhancing the quality of education imparted the institute will:

- Undertake collaborations for improving teaching and learning
- Impart training to the faculty in emerging technologies
- Develop e-learning resources
- Adopt ICT tools
- Provide mentoring and personal support
- Create fair feedback system
- Achieve autonomy in institute's operations

2. Industry Institute Interaction:

In order to strengthen Industry Institute interaction, the institute plans to:

- Sign MoU with industries for sponsored projects, internship, expert talk, industry visits, laboratory development, technology transfer, consultancy, curriculum design and development, etc.
- Establish & strengthen industrial advisory board, interact with industry and deliberate upon matters related to industry aligned curriculum & training

3. Strengthening Research & Innovation Culture:

For strengthening the research culture, the institute plans to:

- Establish research laboratories to inculcate research culture
- Conduct activities for nurturing innovation culture
- Organize international conferences, workshops, STTP on various themes
- Encourage faculty for seeking research grants from government agencies
- Increase publications in reputed national and international journals.
- Start a research center for attracting competent research scholars

4. Entrepreneurship Development:

In order to train the students to become entrepreneurs, the institute plan to:

- Increase startup related activities
- Create an environment for nurturing the entrepreneurial spirits
- Establish an incubation center

5. Strengthening alumni association:

The institute plans to strengthen alumni association by:

- Updating database through alumni interaction platform
- Interacting regularly with the alumni
- Recognizing successful alumni
- Leveraging alumni networks for expert sessions /internships / placements.
- Inviting alumni as academic advisors/mentors

6. Inculcating social culture:

To make students socially responsible for the welfare of the society, the institute plans following steps:

- Identify local social issues
- Design assignments/projects with student's participation
- Make students find the solution through assignments/projects

7. Resource Augmentation:

- Physical infrastructure augmentation - expansion of existing building, construction of hostel facility
- IT Infrastructure Augmentation - upgradation of computers, software and other IT facilities.
- Academic augmentation- upgradation of lab equipment/machines as per change in curriculum
- Adopting e-governance for managing institutional processes.

8. NEP Implementation:

In order to strengthen NEP, the institute plans to implement:

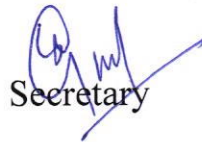

- Implement academic bank of credit.
- Conduct interdisciplinary courses
- Conduct skill development courses
- Aid the traditional teaching-learning with online education
- Other initiatives for effective implementation of NEP
