Maharashtra 422004

From the Editorial Team

Dear Readers,

Welcome to this edition of our Department Newsletter. This newsletter is a reflection of the vibrant academic environment, innovative activities, and remarkable achievements of our students and faculty members.

Throughout the semester, the department has organized various technical events, expert lectures, workshops, industrial visits, and co-curricular activities that have contributed to the holistic development of students. This newsletter captures these memorable moments and accomplishments, providing a glimpse into the department's continuous pursuit of excellence.

We sincerely appreciate the efforts of all contributors, faculty members, and students who have helped make this publication possible. We hope this newsletter informs, inspires, and strengthens the spirit of learning and collaboration within our academic community.

Thank you for your continued support and encouragement.

Institute Vision and Mission

Vision

- To achieve excellence in engineering education with focus on technical skills.

Mission

- To achieve high standards of excellence in generating and propagating knowledge in engineering.
- To impart knowledge and skill based affordable education to all classes of the society.
- To fulfil expectations of the stakeholders by equipping students with state-of-the-art technological resources.
- To provide an ecosystem for nurturing the spirit of entrepreneurship among students.

Department Vision and Mission

Vision

- To provide state-of-the-art technical education to prepare Electronics & Telecommunication engineers for the benefit of the society.

Mission

- To provide state-of- the-art facilities and opportunities to create, interpret, apply and disseminate knowledge.
- To provide quality education to students.
- To enrich the skills in collaboration with industry for better career opportunities.
- To emphasize and inculcate research attitude among students and faculties.
- To inculcate ethics, values and environmental awareness among students.

National Startup Day Celebration:

On 16 January 2024, the E&TC Department organized the **National Startup Day Celebration** to promote innovation, entrepreneurship, and startup awareness among students. The event highlighted the significance of startups in driving economic growth and technological advancement. Students were introduced to various startup initiatives, government support programs, and opportunities available for aspiring entrepreneurs. The program encouraged participants to develop innovative ideas, enhance their entrepreneurial skills, and explore self-employment opportunities. The celebration inspired students to contribute actively to India's growing startup ecosystem.

Awareness session on innovation, entrepreneurship, and startup opportunities

पीव्हीजीचा नॅशनल स्टार्टअप डे

नाशिक । दि. १७ प्रतिनिधी

पुणे विद्यार्थीगृहाच्या अभियांत्रिकी व व्यवस्थापन महाविद्यालयात इलेक्ट्रॉनिक्स व टेलिकम्युनिकेशन विभागाने आयोजित केलेला नॅशनल स्टार्टअप डे कार्यवाह संजय गुंजाळ, व प्राचार्य डॉ. एम. व्ही. भालेराव यांच्या मार्गदर्शनाखाली उत्साहात पार पडला. प्रमुख पाहुणे म्हणून

आर्मस्ट्रॉंग डीमॅटिकचे व्यवस्थापकीय संचालक प्रणव माजगावकर व एच.आर. मा.त्रिरश्मी निकम उपस्थित होते. माजगावकर यांनी विद्यार्थ्यांना स्टार्टअप कसे सुरू करावे व त्यात येणाऱ्या अडचणीचा कसा सामना करावा याबद्दल मार्गदर्शन केले. कार्यक्रमास सर्व विभागप्रमुख, शिक्षकवृंद व विद्यार्थी उपस्थित होते. प्रा.चेतना अहिरे यांनी सूत्रसंचालन केले.

National Startup Day News

Industrial Visits

Suzlon Global Service LTD, Jamgaon, Nashik:

The E&TC Department organized an industrial visit to Suzlon Global Services Ltd. to provide students with exposure to renewable energy technologies and wind power generation systems. During the visit, students learned about the operation and maintenance of wind turbines, power generation processes, monitoring systems, and the importance of sustainable energy solutions. The visit enhanced students' understanding of the practical applications of electronics, control systems, and automation in the renewable energy sector.

Date: 18 Apr. 2023

Class: TE (E&TC)

Objectives:

- To understand the working of wind energy generation systems.
- To learn about wind turbine monitoring and control technologies.
- To create awareness about renewable and sustainable energy sources.

Students learning about sustainable energy solutions during the visit to Suzlon
